November

## OCTOBER REVIEW

We had a fun filled and adventurous October. Our preschoolers went to the Pumpkin Farm where they went on a hay ride and through the corn maze. Thanks to all our parent volunteers for their help. Lots of visitors came to meet us. At right is Officer Vesco and his dog, Officer Jag. We also had visits from a nurse and a Dentist. We've been looking at Fall leaves and the changes they go through. We have painted with Fall colors and heard Fall stories. We have been decorating for Halloween, experimenting with pumpkin "goop" and counting pumpkin seeds. We painted lots of scary pictures and heard lots of fun "scary" Halloween stories. Lots of fun!!

## WELCOME ARIES!

We have a new classroom pet in our Canary room. Aries is a lop-eared rabbit. Some of the children have thoroughly enjoyed taking her home for the weekend.

## WINTER DRESS

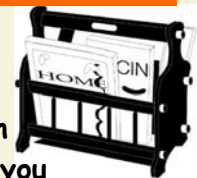

Please bring in a coat and outdoor shoes or boots for your child. The colder weather has arrived and we are still going outside. We are also beginning to switch shoes when we come inside. Slippers can be used for inside shoes.

## WELCOME!

Welcome to our new friends: Samuel in the Chicadee room, Shayna in the Flamingo room, Nathaniel and Steven are new Bluebirds, Aditya is our new Canary, and welcome back Joshua to the Flamingoes.

## Magazines Wanted

We're looking for any old magazines that the children can use for cutting out pictures. If you have any please drop them at the front desk.

## FREECYCLE.ORG

If you've never heard of it, we suggest you visit the "Freecycle.org" website. There are local groups all around the USA that offer free stuff to those that want it. There are always a lot of children and baby items offered. There are about half a dozen groups just in the Hartford area. If you ever see an item offered by "ChildcareCT", its us! If you want it, make sure you get the message to us, as our families would always rank first!
