

## Educational Playcare Early Childhood Health Assessment Record

**To Parent or Guardian:** In order to provide the best experience, early childhood education providers must understand your child's health needs. This form requests information from you (Part I) and information from your child's health care provider (Part II). Connecticut state law requires complete primary immunizations and a health assessment by a physician, an advance practice registered nurse, a physician assistant, or a legally qualified practitioner of medicine prior to entering an early childhood education program in CT.
