

LEARNING AT HOME YOUNG TODDLER WEEK 15

June 29th-July 3rd

Dear Families,

We are excited to launch plans for Week 15. There are some great options for physical activities in an indoor environment. Additionally, some simple ideas with materials available at home to support the creative undertakings. We hope you enjoy this week's plan with your little ones!

Language Development

Camping Words

Show your child pictures of items they might have or see when they are camping such as trees, tent, flashlight, animals. Tell your child what the object is and give them the opportunity to repeat the word.

Social-Emotional Development

Mud Kitchen

Put out different kitchen materials (cake pans, muffin tins, mixing utensils) and a bucket of mud for your child to create delicious recipes. Interact with your child during play and point out their emotions and reactions as they are making mud recipes.

Physical Literacy

Picking Up

Outside, have your child walk around and pick up nature items. Bending down to pick things up with help with their balance and coordination.

LEARNING AT HOME YOUNG TODDLER WEEK 15

June 29th-July 3rd

Cognitive Development

Animal Sounds

When look at a book with your toddler, point to the animals in the story and ask your child what sounds the animal makes. If they know the sound, praise them, If they are not sure introduce them to the sound that the animal makes. Next time you read the book, ask your child about the same animals to see if they remember the sounds.

Creative Activity

Campfire

Let your child make campfire art using paint, construction paper, paintbrushes and glue.

Mud Olympic Activities

Mud Playdough: Make playdough with 2 cups flour, 1/2 cup salt, 2 tbsp of oil, 1 cup warm water, Food Coloring. Mix the food coloring into the water. Add all the other ingredients and mix it all together in a bowl until it starts to come together. Knead it for a few minutes and add a little flour when needed. * Try adding actual dirt to add color and texture to the playdough.

Mud Bricks: Make mud bricks using an ice cube tray for your child to build with.

Mud Painting: Mix together mud, food coloring, dish soap (optional) and water to make your paint. Provide your child with paper and paintbrushes and let them create a mud painting.
