

LEARNING AT HOME INFANT WEEK 22

August 17th-August 21st

Dear Families,

We are excited to launch plans for Week 22. There are some great options for physical activities in an indoor environment. Additionally, some simple ideas with materials available at home to support the creative undertakings. We hope you enjoy this week's plan with your little ones!

Language Development

Can you find the... Game

Provide familiar toys, like animals, cars, balls, baby dolls, etc. in the middle of the play mat. Ask if your infant if they can find different toys in a fun hide and seek game.

Social-Emotional Development

Copycat Games

Play a fun copycat game with your infant by imitating their actions and encouraging them to do the same. Use exaggerated movements and gestures to keep their attention.

Physical Literacy

Crawling Encouragement

Place a toy of interest in front of your infant while they are doing tummy time. Encourage them to reach for the toy.

LEARNING AT HOME INFANT WEEK 22

August 17th-August 21st

Cognitive Development

Instruments

Play with instruments with your infant. Encourage them to shake the instrument to make noise. Point of the noises that they hear. Use a different instrument and point out the different sounds.

Creative Activity

Line Exploration

Making lines using chubby paint brushes with water on paper or in a sensory bin with cereal. You can add color to the water using food coloring. Bring your infants attention to the marks they leave on the paper or in the cereal.

Additional Activities

Sensory: Water play with melting colorful ice cubes and water play toys. Provide small pouring toys such as cups or pitchers.

Zoo Peek-A-Boo Board: Make a peek-a-boo board using zoo animal pictures and felt or paper for the flaps. Encourage your infant to lift the flap to see the animal.

Feed the Zoo Animals: Make animal faces out of construction paper. Cut a hole for their mouth and add to a box or container. Have your infant feed the animal play food or other toys.
